

10/30/08

FEDERAL BEAUREAU OF INVESTIGATION
201 East Indianola Ave.
Phoenix, Arizona 85009

Attn: Forensic Laboratory Services
C/O Agent Ken Williams

Dear FBI,

Please Allow This Communiqué' To Serve as a Formal Instrument Requesting Access Your Agencies Forensic/Analytical Laboratory Services In My Human Rights Abuse Action. For The Following Reasons: (A) To Further Positively Identify Concise Bio-Medical Devices/Means. And (B) The Identification Of All Entities Responsible For the Unauthorized Implantation of Before Mentioned Said Bio-Medical/Pharmaceutical Devices And Means, In The Human Body Of Mark Edward Hughes "The Requestor".

Preliminary Substantive Documentation/Evidence was provided To the Beaureau's Phoenix, Arizona Office. By, The Above Named Requestor In Person. The Evidence Quite Clearly Shows An Optic Nerve Implant, And Lucencies Consistent with MEMS/ASIC Technologies in the Occipital Region Of the Requestors Cranium. The Documentation Was Obtained By The Requestor Utilizing Accepted AMA Procedures And Techniques

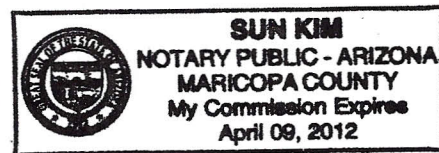

Again, This Evidence was transferred to Both Phoenix, Arizona And Washington, D.C. FBI Offices By The Requestor. And Also To The National Security Agency Fort G. Mead, M.D. And Central Intelligence Washington D.C. Due To It Being A "Tool" Utilized By These Before Noted Authorities.

I Respectfully Request Expedited Processing Of This Request And Full Disclosure Of Any And All Results To the "Requestor", Oversight/Law Enforcement Authorities And Below Noted Authorized Parties. Thus Requesting a Expeditious Handling And Resolution Of This Serious Matter. Any Less Would Be A Travesty Of Justice By Your And Connected Agencies.

Sincerely,

Notary Public: Sun Kim
